Community Service

Dr. Clayton S. Fuller Community Service Award

Dr. Fuller feels strongly about giving back to the community and so he has started an award at Hilltop High School.

Each year he will give away \$1,000 to the most deserving senior at Hilltop. He felt this large amount will draw attention to the award and get kids to start thinking about helping others.

Everyone here feels it is important to help others. That is part of the reason we work for Dr. Fuller. As caring for others is very rewarding and enriches our own lives.

So whether you help an old lady across the street or are courteous in your driving, you deserve a pat on the back.

We need more people to feel like they are part of the community and connected to each other. As we are all here together.

JUNE EVENTS

Father's Day is Sunday, June 20th. Every kid should give Dad a big hug and tell him thanks for being there. Happy Father's Day!

Graduation

June is graduation month for most schools. So a big hooray to everyone who has accomplished the goal of passing another grade.

The ones who graduated from not only a grade but a whole school deserve a special hooray. As moving on from that school to another is always a little unnerving. So no matter if it's grade school, middle school, or high school, scream out a big YAHOO!

New Office

The interior for the new office is still being finalized.

We will have a fireplace in the waiting room. Its placement will determine the size of the windows. So we are looking at several different sizes of fireplaces and windows.

We are also planning to have TV's above every chair. So when you lean back, you can pass the time watching your favorite channel
